Dear Aimee,

I just checked with Sr. Veronica and the money you sent us is in our bank account minus bank charges. We are very grateful indeed. We have not spent the money yet. I mentioned to you in my last note that we need most of the money to finish off the dormitory building at St. Mulumba's Special School in Choma. We are waiting until the last minute to put it into that just in case some other donors may come up with some money in the meantime. If that is the case, which we doubt, we will put it toward the classroom building which has not started yet. Africa moves slowly.

I will be happy to fill you in on everything when I meet with you in March, 2012.

~~We are also grateful to Fabula for the Money received and most of that money will be going into correcting the sewerage system at St. Joseph's School in Chivuna. We need lots more for that particular project and we are trying to figure out ways of raising it from different funders. That is getting harder and harder.~~

I am delighted that you will be showing the DVD of St. Joseph's School. As a matter of fact, I have a DVD of their 50<sup>th</sup> Anniversary Celebration which I will bring with me in March, so that may help to make things come more alive too.

Thanks to you and to all for so much good work done on our behalf.

Blessings on each one,

Sr.Margaret
